

Our Expertise & Services In Import & Export

Extensive Experience:

We have been in the import and export business since 2013, with a proven track record of providing the best services.

Our Specialty:

Importing and exporting high-quality grains, including sesame, peanuts (pistachios), chickpeas, watermelon seeds, cotton, and more.

Careful Crop Selection:

- Our representatives carefully select grains from trusted traders in Sudan, Ethiopia, Chad, and Nigeria.
- We guarantee accurate, on-time delivery from reliable sources.
- Crops are transported to the port in insulated and sealed trucks to preserve their quality and prevent spoilage.

Comprehensive Supply Chain Monitoring:

- Direct supervision of the crop's transportation from the country of origin until its arrival at the port.
- Monitoring the loading of goods into well-conditioned containers to ensure their safety.

Marine Insurance:

We provide global insurance coverage to guarantee compensation in the event of any damage to the goods during shipping.

Choosing Shipping Lines:

We work with the fastest and best shipping companies to ensure your goods arrive as quickly as possible.

Shipment Tracking:

- We keep our customers informed of the location of their goods from the time of purchase until they reach their final destination.
- We rely on a global tracking program to accurately track vessel movements.

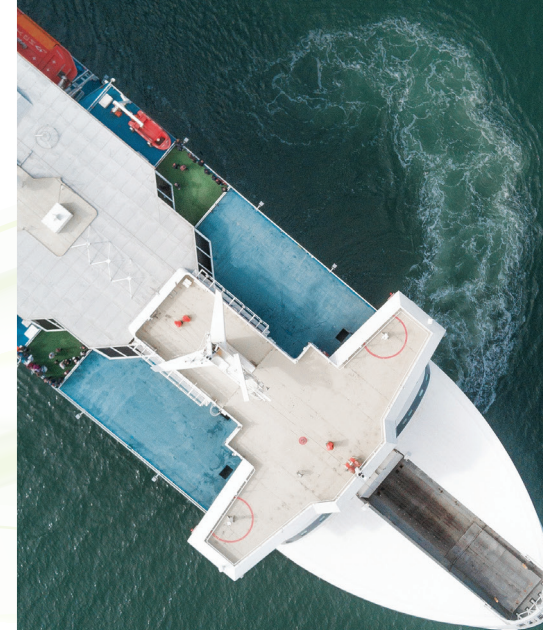

Document Accuracy:

We place great importance on checking shipping documents to ensure they are error-free, facilitating the hassle-free customs clearance process.

At MIS Co.,

we are committed to providing reliable import & export services, ensuring quality, accuracy, & strict adherence to delivery dates.
